**NJCRIB EDI Claims R3 NEW Trading Partner Profile Registration System Available!**

**Date:** 06/26/2020

Effective June 26, 2020 the New Jersey Compensation Rating & Inspection Bureau (NJCRIB) will be migrating to a New Trading Partner Profile Registration System. The transition to the new system requires that all Trading Partners submit a *New Trading Partner Profile*. The New Trading Partner Profile submission will be reviewed by NJCRIB EDI Support Team to compare the existing Trading Partner Profile on record to the New Trading Partner Profile submission. Any discrepancies between the new and existing Trading Partner Profiles (excluding contact information) will be communicated back to the preparer.

**All Trading Partners are asked to complete the New Trading Partner Profile submission into the new system by November 2, 2020.**

Before any updates can be made to Trading Partner Profile, you must first complete the New Trading Partner Profile submission using the new system. Please review the Registration Instructions for additional information on how to create the Trading Partner Profile using this new Trading Partner Profile Registration System.

The New Trading Partner Profile Registration system link will be shown on the [NJCRIB EDI Claims website](#) as follows effective June 26, 2020:
